

**We suggest you take Sumulong Highway as traffic may be unpredictable via Ortigas Ext.**

**(via Sumulong)**

At the end of C5 (east bound), where road ends/forks, take right leading to Marcos HW (as left side brings you to Katipunan). Road forks after 200 meters. Take overpass to Cogeo (not to Marikina) leading you to Marcos HW. After 5 KM, turn right to Sumulong Highway. After 10 KM, turn left to Sumulong Memorial Circle (north side). After counting 3 tiny streets (or 0.8 KM) on your left, turn left to San Jose Ext. After 50 meters on your right is Jardin's orange fence.

**(from Antipolo Cathedral)**

As you go out of the Cathedral, turn left to M.L. Quezon St. Left to Carigma St. Left to San Jose St. Cross De La Paz St. Cross C. Lawis St. Cross Sumulong Memorial Circle After 50 meters on your right is Jardin's orange fence.

**(via Ortigas)**

On Ortigas Ext., you will hit Tikling intersection where the road starts to climb. After 4 KM, you hit Hamaka Park. Turn left to P. Oliveros (Rizal Capitolyo). After 0.3 KM, you hit Ninoy Park (USA 88 gas station). Turn left to Sumulong Memorial Circle (west side). After 1 KM you hit Villa Cristina arch. Veer to the right where Sumulong Memorial Circle/Taktak Road continues.. After 0.5 KM, while still on Sumulong Memorial Circle, you hit the intersection of Sumulong Highway and J.P. Rizal. After counting 3 tiny streets on your left (or 0.8 KM), turn left to San Jose Ext. After 50 meters on your right is Jardin's orange fence.

**(commuting from Cubao)**

Take either a jeepney or an FX to Antipolo Cathedral.. Stop after the fruit stands which is close to the corner of Sumulong Memorial Circle and Sumulong Highway. Take a tricycle to Jardin. After counting 3 tiny streets (or 0.8 KM) on your left, turn left to San Jose Ext. After 50 meters on your right is Jardin's orange fence.
